Call for Abstracts

Sixth Annual Research Symposium and Poster Session

Tuesday, October 23, 2018

University of Chicago, Knapp Center for Biomedical Discovery

The Center for Translational and Policy Research of Chronic Disease is accepting abstracts for its Fifth Annual Research Symposium. Abstracts will be accepted through **October 5, 2018** at 5:00 pm CDT. All investigators are invited to submit abstracts on topics pertaining to chronic diseases and health care policy. Abstracts submitted to research conferences over the last year are welcome, as well as works in progress.

Posters will be on display throughout the symposium with a dedicated “Meet the Authors” session in the afternoon. First authors will receive a decision notification via email on or before October 12, 2018. Authors may submit more than one abstract.

Guidelines for abstract

Provide a title (50 words or less), author list and affiliations, and an unreferenced abstract (250 words or less) in a single document to Mary King: mking@medicine.bsd.uchicago.edu

Abstracts must include the following sections:

Objectives, Methods, Results, Conclusions / Implications

Guidelines for posters

Posters should be 48”W x 36”H maximum.

Posters should be placed on display in the morning during registration.

Posters should be removed by authors at the end of the symposium.

Any posters left after 4 pm will be discarded.
