

WOMEN IN MEDICINE SUMMIT

SEPTEMBER 20 & 21 2019

The Drake Hotel, Chicago, IL

A CME conference to amplify women physicians and work towards gender equity. The agenda includes skill building, action plan development, strategies to advocate, opportunities for professional growth, education and inspiration.

#WIMStronger Together

#IStandwithHer Award Nominations

Do you know a physician or provider who exemplifies the qualities of perseverance, resilience, leadership and/or allyship? Nominate them!

Call for abstracts and spotlight pieces:

Original abstracts accepted for presentation will be published in a special edition of the International Journal of Academic Medicine (IJAM) dedicated to #WomenInMedicine. Abstracts published or presented previously are still eligible for presentation, but not for publication. Spotlight and Perspective pieces are for publication only. **Submit by June 30!**
